

TECHNOLOGY EDUCATION K-12 STANDARD CERTIFICATE (ENDORSEMENT CODE: 1810)

Please print this page before you apply.

This endorsement authorizes the holder to teach technology education in all public schools with the exception of approved vocational programs. Technology education includes content aligned with the CCCS and the standards for Technology Literacy published by the International Technology Education Association, copyright 2000, incorporated herein by reference at <http://www.iteaconnect.org/TAA/Publications/STL/STLMainPage.htm>. Examples of the topics that can be taught under this endorsement include: the nature of technology; technology and society; Engineering and technological design; abilities for a technological world; energy and power; Information and communication; and transportation, manufacturing and construction technologies

In order to be eligible for the Standard Certificate, you will need to meet the following:

Degree Requirement

- A minimum of a bachelor's degree is required from a [regionally accredited college/university](http://www.nj.gov/education/educators/license/usaccred.htm). (<http://www.nj.gov/education/educators/license/usaccred.htm>)

Cumulative GPA Requirement

- New Jersey requires that candidates for certification achieve a cumulative GPA of at least 2.75 when a GPA of 4.00 equals an A grade for students graduating on or after September 1, 2004 (2.50 for those graduating before September 1, 2004) in a baccalaureate degree program, higher degree program or a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits. Please note that a high praxis test score may offset a GPA that is lower than 2.75 but higher than 2.50. Click on the following link for more details: <http://www.nj.gov/education/educators/license/gpa.htm>

Subject Matter Preparation

- Current regulations for certification require that applicants complete a 30 credit coherent sequence of study in courses that align to the *Standards for Technological Literacy (STL)*. A coherent sequence requires that at least 12 credits are completed at the advanced level of study (junior, senior or graduate level). Within the 30 credits, the candidate shall complete study in:
 1. The nature of technology or technology and society;
 2. Technological design;
 3. The use of tools and materials and safety related to using tools and materials; and
 4. Three of the following seven areas:
 - i. Medical technologies;
 - ii. Agricultural and related biotechnologies;
 - iii. Energy and power technologies;
 - iv. Information and communication technologies;
 - v. Transportation technologies;
 - vi. Manufacturing technologies; and/or
 - vii. Construction technologies
- Related courses may be accepted depending on the course description/content. Please provide a course description if a course is not taken from the Technology Department. Courses in pedagogy/education are not accepted towards the subject matter preparation. The final determination as to which courses will be counted towards the Technology subject matter is based on professional and content standards found in the NJ Licensing Code. **All credits must appear on a regionally accredited 4-year college/university transcript. If courses are taken at a community college, those credits must be transferred to a regionally accredited 4-year college transcript.**

Professional Teacher Preparation

- Current regulations for certification require that applicants complete a coherent sequence of study in professional education which may be completed in a provisional teacher program or an approved teacher preparation program. This is to advise that courses presented by the applicant in professional education must be a coherent sequence of courses that culminates in supervised student teaching.

State Teaching Certificate

- Please submit a copy of an out-of-state teaching certificate that is equivalent to a NJ Standard Instructional Certificate. Holders of a NJ Standard Instructional Certificate do not need to send in a copy of their certificate.

Letter of Teaching Experience

- Please submit an original letter(s) from a school official(s), on school letterhead, documenting 1 year of fulltime teaching experience under a valid out-of-state license. The letter should include information about full or part-time status, specific teaching assignment and dates of employment. Holders of a NJ Standard Instructional Certificate do not need to send in a letter of teaching experience with the exception of those who hold a Standard Teacher of the Handicapped Certificate.

Praxis II Test Requirement

- **Test Requirement: #10050 Technology Education.** Official scores must be presented directly from Educational Testing Service to the NJ Department of Education. Only official scores are accepted. **The New Jersey Department of Education code (R7666) and your Social Security number must appear on your test score report in order to be accepted.** Please go to <http://www.nj.gov/education/educators/license/1112.pdf> for testing details.

Physiology and Hygiene Requirement

- This requirement may be completed by presenting evidence of basic military training, OR by completing a course such as biology, health or nutrition that appears on a regionally accredited 4-year college or university transcript, OR by completing a 35 question True/False test administered in the county office of education. Please go to <http://www.nj.gov/education/educators/license/county.htm> in order to contact a county office of education **after** you apply online.
